

Britt Medford High Adventure Scholarship Application

How this Program Works:

Camping is one of the methods of delivering the Scouting Program. On behalf of the Medford Family, Friends and Capitol Area Council, we want to make sure every Scout has an opportunity to have a mountain top experience at camp.

Scouts who receive one of the scholarships will need to earn or provide **25%** of the cost of attending either Philmont or Northern Tier. The Britt Medford High Adventure Scholarship fund will provide the remaining **75%** of cost to attend one of the High Adventure camps.

We ask that the Scout include the following: 1.) Write a brief essay indicating their reasons for going and/or what they hope to gain from the experience of attending one of the High Adventures, 2.) A brief bio that will include the following: Year in school, extra-curricular activities, what are your plans for the future?

After completing the Scholarship form, essay, and please submit it to Leigh Wyatt, Executive Assistant, to the address above. After the application has been reviewed, you will be notified if you are awarded the scholarship.
