Covid-19 protocols for in-person guests

(Note: these protocols are subject to change to match current recommendations by health officials)

Please do not attend in-person if you are feeling sick on the day of the event. [Click here for a list of symptoms that may indicate you have Covid-19.](#)

All guests must undergo a temperature screening upon check-in.

Please wear a mask at all times you are not eating.

Please maintain the recommended social distance of six or more feet between you and other guests while you are visiting before or after the event.
